

TOPFIELDS BORNEO SDN. BHD.

(1294574-M)

(formerly operating as TOPFIELDS BORNEO PLT since 2017)

Certified Protective Coating Technician (Blaster and/or Painter) Level 1 & Level 2 (PCT L1 and/or L2)

Become a certified Blaster Painter with IMM PCT L1L2 program today.

This certification scheme will enable the candidates to have an understanding and exposure on the subject of Blasting and Painting, mainly in the oil & gas and heavy engineering industries. The participants will be assessed both in the theory and practical aspects of Blasting and Painting which will determine their competency in accordance to the terms and conditions of IMM Coating Certification Scheme

IMM Coating Inspector Level 1 & Level 2 (CIL1 & CIL2)

IMM Coating Inspector is the most sought after certification to become a coating inspector within Malaysia & is widely accepted by all industries including Oil & Gas.

TOPFIELDS BORNEO SDN. BHD.

(1294574-M)

(formerly operating as TOPFIELDS BORNEO PLT since 2017)

Certified Protective Coating Technician (Blaster and/or Painter) Level 1 & Level 2 (PCT L1 and/or L2)

WHO SHOULD ATTEND ?

This certification scheme is suitable for new workers as well as those with experience in painting or blasting who want to be certified.

OBJECTIVES

To access the following knowledge and skills in:

- Specifying protective paint/coating system to a variety of substrates
- The preparation of substrates prior to painting
- The application of paint coatings
- The diagnosis and rectification of faults in paint coatings and communicate in written form

EXAM TOPICS

- Understanding corrosion- types, factors affecting corrosion and effects of corrosion
- Standards and paint materials data sheets
- Composition and important types of paint
- Surface preparation and related techniques
- Application of paint
- Paint faults and coating defects
- Quality assurance checks
- Health, safety and environment - hazards, safety features and preventive measures
- About coating fingerprinting

VALIDITY PERIOD OF CERTIFICATE

5 years

TOPFIELDS BORNEO SDN. BHD.

(1294574-M)

(formerly operating as TOPFIELDS BORNEO PLT since 2017)

IMM Coating Inspector Level 1 & Level 2 (CIL1 & CIL2)

Who should apply?

The scheme is suitable for persons such as painting inspector, painting supervisor, technicians, specifiers and engineers who have been trained and/or have experience in coatings inspection and desire to be certified for career advancement.

CIL1 - IMM Coating Inspector Level 1

1. Basics on corrosion theory 2. Composition & manufacture of paints 3. Surface preparation 4. Application & storage of paints 5. Paint faults and coating defects test 6. Measuring instrument / Inspection – Diagnose Failure 7. The role of a coating inspector / ITP 8. Painting specification 9. Calculation / Mathematics' 10. Safety and health

CIL2 - IMM Coating Inspector Level 2

1. Corrosion theory and terminology 2. Advance surface preparation 3. Advance Paint faults and coating defects test 4. Measuring instrument / Inspection – Diagnose Failure 5. Composition & manufacture of paints 6. Application & storage of paints 7. The role of a coating inspector / ITP 8. Painting specification 9. Calculation / Mathematics' 10. Safety and health
